2023 SCHOLARSHIP RECIPIENTS

• JANAE KING •

Queen's Chapel Continuing Education Scholarship

Janae attends Bowie State University and continues to excel academically aspiring to be an emergency room nurse. She is very excited to spend her first year on campus, meeting new people and getting to know her professors. While acknowledging the importance of academic achievement, Janae stresses that she owes much of her success to the anchoring experience that Queen's Chapel has afforded her. In a biographical sketch that accompanied her scholarship application, Janae captured Queen's Chapel's impact on her life stating, "My church is especially important to me. Learning about the Bible, attending Sunday School, Vacation Bible School, and worshiping in church have had a profound impact on my life, shaping me into who I am today."

We wish Janae much success as she completes her studies, going into her senior year at Bowie State University, where she is on track to graduate in the spring of 2024.

• MICHAEL BETHUNE •

Lillie Mae Taylor Continuing Education Scholarship

Michael is a 2021 graduate of Laurel High School. He was very involved in school activities, a varsity member of the track and field team, a member of the National Honor Society. He was voted "Mr. Laurel High School" in his senior year.

Michael is very active at Queen's Chapel United Methodist Church, where he serves as an usher, sings in the choir, attends Vacation Bible School, participates in Wednesday night Bible Study, and has attended the annual Rock Retreat in Ocean City, Maryland. These experiences have had a profound impact on his life and in shaping who he is today.

Michael attends North Carolina A&T University, majoring in biology, with the aspiration of becoming an orthodontist. He is a member of the USNDA – Undergraduate Student Dental Association, NCAT Chapter of the National Association for the Advancement of Colored People and the Metro Aggies.
